**LIFE,
STYLED.**

**FUSING SPORTY STYLING
WITH PRACTICAL DRIVING.
THE SWACE HAS IT ALL.**

Never choose between style and function again. With the Swace, there's no compromise. It has both by the bucketload. Sharp LED headlamps, an impressive honeycomb patterned grille and flared wheel arches create a powerful and wide stance that complements the Swace's premium estate body.

Practically speaking, the beautifully-designed flowing body lines and sculptured tailgate, which is constructed using lightweight material, not only adds to the dynamic exterior design, but also enhances fuel efficiency. Integrated roof rails neatly top off the distinctive shape of the Swace, and are perfect for simply mounting the optional multi roof rack*, helping you to carry all your gear for that weekend escape.

It's time to have it all with the stylish Swace, the car that's ready to handle your lifestyle.

*Multi roof rack available as a dealer fitted accessory option.

ROOM TO MANOEUVRE

SPACE THAT SPEAKS VOLUMES. GET BEHIND THE WHEEL OF THE SWACE, AND THE POSSIBILITIES ARE ENDLESS.

Say hello to more getaways and holidays with the Swace. Get ready to enjoy more sports and activities. And be prepared to explore more of what the world has to offer.

A large extendable luggage area transforms thanks to a remote lever in the boot. Go from an ample 596 litre compartment to a generous 1,606 litres maximum capacity with the rear seats folded down, making for a fully flat floor which means you'll never run out of space.

The reversible boot floorboard with either carpeted or all weather protected resin surface

can be lowered to store taller objects. That's more room for suitcases, fishing tackle, stuff for family fun at the park or whatever you need.

And with effortless loading and unloading thanks to the handy electromagnetic tailgate, you can just simply open the boot at a touch with the wireless remote control. Don't forget about your passengers too. They'll be sitting comfortably, with plenty of leg room and cabin space so they can really stretch out.

Fit more into the Swace and get more out of life.

GO WITH

ELEGANCE

GO WITH THE FLOW IN THE SWACE. ENJOY SPACIOUSNESS AND COMFORT THAT WRAPS AROUND YOU.

The Swace's interior has been crafted with premium materials, and a keen eye, for a truly elegant experience.

From the moment you sit down, you'll enjoy the feel of the supportive seats built to keep you comfortable throughout your journey. Plus, the soft padding and understated chrome detailing throughout the entire cabin conveys luxury quality and meticulous attention to detail.

The wide instrument panel and chrome details flow seamlessly into the door trim, creating a spacious, attractive, and modern look and feel.

You've also got total control of the cabin temperature with dual-zone automatic air conditioning, which even comes with S-FLOW to automatically detect where passengers are and adjust airflow so everyone is happy. Another nice touch you'll appreciate, well your hands and back will, is the heated steering wheel and front seats.

In fact, the elegant interior feels spacious, open and comfortable for all passengers front and rear. Are you sitting comfortably? You are, if you're in the Swace.

BETTER CONNECTED

HIGH TECH FEATURES TO KEEP YOU GOING.

The world doesn't stop when you get in your car. That's why the Swace is packed full of advanced tech features to help you stay connected and get the most out of your drive.

The Swace is designed with the driver in mind, so everything is in your control. The central multimedia touch screen display makes it easy to search through menus, personalise

your setting and preferences, and link your phone to your car in a few taps. Use Apple CarPlay® or Android Auto™ to stay connected with carefully chosen apps on the go, including certain digital navigation apps.

Thanks to the Qi wireless charging pad*, you can keep your phone charged throughout the journey, so you'll never be caught short again.

YOU'RE IN SAFE HANDS

WE'RE DEDICATED TO KEEPING YOU AND YOUR PASSENGERS SAFE AND SECURE. THAT'S WHY THE SWACE COMES EQUIPPED WITH ALL THE LATEST SAFETY FEATURES.

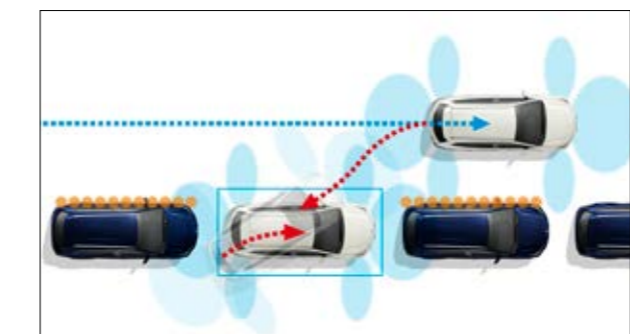

Use tech like our Driving Assist feature to intelligently monitor your surroundings and reduce the likelihood of collisions, simplify parking*, and help you stay in your lane when driving. It even makes stop and go traffic easier to handle.

You're in very safe hands in the Swace. Explore all the great features that keep you safe and sound.

SIMPLE-INTELLIGENT PARKING ASSIST (S-IPA)*
 S-IPA assists the driver when reversing into a parking space, parallel parking, or departing from a parallel parking space. It simplifies these manoeuvres by providing audio and visual guidance while automatically operating the steering wheel to support the driver. The system uses ultrasonic wave sensors and allows accurate parking even in narrow spaces.

REVERSE PARKING SUPPORT FUNCTION
 Reversing into a parking space becomes much easier and less stressful with the active assistance of this convenient feature. Once you've chosen your parking space and moved into position, simply turn on S-IPA, remove your foot from the brake pedal and follow the voiced instructions to stop and shift gears as the function automatically parks the vehicle.

PARALLEL PARKING SUPPORT FUNCTION
 Parallel parking can be a challenge for the best of drivers. But this feature makes it easier than ever by handling the steering and decision making for you. Activate S-IPA while near a parking space to parallel park, or while in the P position to depart from a parallel parking space. Then follow a few simple steps and the system will steer for you.

PRE-COLLISION SYSTEM (PCS)
 PCS helps prevent collisions with other vehicles, pedestrians and bicyclists by monitoring the road ahead with a millimetre-wave radar and monocular camera. It supports pre-collision warning, pre-collision braking assist and pre-collision braking features.

LANE TRACING ASSIST (LTA)
 When LTA determines that unintended lane departure is likely to occur, it partially assists steering operation to keep the vehicle in the centre of the lane and prevent departure from the lane or road. It includes lane departure alert, steering assist, vehicle sway warning and lane centring features.

ROAD SIGN ASSIST (RSA)
 RSA monitors the road for traffic signs and displays them on the multi-information display when they are detected. The system is compatible with speed limit, no passing zone, residential area, end of zone and other European road signs.

DYNAMIC RADAR CRUISE CONTROL (DRCC)
 DRCC automatically maintains ample distance with the vehicle ahead and stops the vehicle when the preceding vehicle comes to a stop. When there is no vehicle traveling ahead, the vehicle travels at a fixed speed.

AUTOMATIC HIGH-BEAM (AHB)
 AHB automatically switches between high and low beams when appropriate to ensure a clear field of vision for the driver, reduce inconvenient manual operation, and reduce headlamp glare for oncoming traffic while driving at night.

BLIND SPOT MONITOR (BSM)*
 BSM detects vehicles located in or approaching the rear blind spots on either side of the vehicle and makes lane changing safer. When a vehicle is approaching or detected in a rear blind spot, a warning icon is illuminated in the relevant outer mirror.

REAR CROSSING TRAFFIC ALERT (RCTA)*
 RCTA helps the driver avoid collisions when reversing out of parking spaces. When the sensors detect vehicles approaching blind spots in the rear, a buzzer and blinking mirror icons warn the driver.

Driving assist functions are limited by the ability of the monocular camera, laser sensor and millimetre-wave radar sensors to detect obstacles, lanes and traffic signs. It may not operate depending on the road surface or weather conditions. Please do not rely on this system alone to ensure safety and take responsibility for driving safely. For more details, ask your local dealer or refer to our official website.

*Available on SZ5 models only.

HYBRID FOR LIFE

MAKE THE RIGHT CHOICE. FEEL THE POWER. DRIVE HAPPY.

Get ready for an efficient and powerful drive with the Suzuki Swace. An electric motor is paired with a 1.8 litre petrol engine for optimum performance and efficiency. Plus, a lightweight and efficient CVT automatic transmission comes as standard, so your ride stays smooth and enjoyable through each and every gear.

The Swace is expertly designed for responsive, smooth acceleration, while maintaining excellent fuel economy and low emissions. So you'll get a spirited, comfortable and efficient drive, wherever your heading.

Company drivers will also be glad to know they'll be in a favourable low Benefit-in-Kind tax band too.

And with fuel economy of 64.2mpg and CO₂ emissions just 99g/km (WLTP combined), you can rest easy knowing the Swace is a great choice for you and those around you.

All the more reason to start your next adventure now.

**EASY ON THE EYE. EASY TO DRIVE.
EASY TO KEEP GOING.**

Thanks to the smooth ride and responsive steering, every drive in the Swace is simple and sweet. And because it's a self-charging Hybrid system, you don't have to worry about interrupting your drive to find somewhere to charge. You might even forget it's a Hybrid.

What's more, both the electric motor and petrol engine, can drive the vehicle during acceleration to optimise performance.

And for those early starts when you don't want to wake the neighbours the Swace has a full Electric Vehicle driving mode (for up to approx 1 km), where all the power comes only from the electric motor. Neat.

With 3 driving modes, Normal, Eco and Sport the choice is yours on how you want to drive.

Whichever you choose, you're in for a smooth drive, no compromise.

DRIVE AWAY WITH SUZUKI FINANCE

Once you've found the Suzuki for you, you'll want an ideal Suzuki Finance package to go with it.

What are the options?

- 1. Personal Contract Purchase** – Great for those who want flexibility; Once you've agreed your deposit, repayment period and annual mileage, the dealer will work out the monthly repayment amount and optional final repayment amount. After you've made all the monthly repayments you will have 3 options: 1. Own the vehicle by paying the optional final repayment 2. Part exchange* 3. Return the vehicle (return conditions apply).
- 2. Hire Purchase** – If you want to own the vehicle at the end this could be the product for you. Once you've agreed your deposit and repayment period, the dealer will work out the monthly repayment amount. Once you have made all the monthly repayments including interest, you will become the owner of the vehicle.
- 3. Personal Contract Hire** – This is a fixed cost rental agreement with no ownership option at the end. Select your new Suzuki, agree the annual mileage and term of agreement and pay an initial rental in advance, followed by regular monthly rentals over the agreed term. When the agreement comes to an end the vehicle must be returned (return conditions apply**).

What's next?

For more information or help finding the right pack for you, pop into your local dealer or visit cars.suzuki.co.uk/Suzuki-finance

*Part exchange subject to settlement of your existing finance agreement; new finance agreements are subject to status.**To avoid incurring charges, the vehicle needs to be in good condition (fair wear and tear accepted) and within the permitted maximum mileage. The vehicle is at risk of repossession if you do not maintain contractual repayment. **Personal Contract Purchase and Hire Purchase:** Credit is available to UK residents aged 18 or over, subject to status. Suzuki Finance is a trading style of Suzuki Financial Services Limited, St William House, Tresillian Terrace, Cardiff, CF10 5BH. Finance is available for Republic of Ireland residents, subject to status, and will vary from the above. The credit provider is Bank of Ireland Finance, which is a registered trading name of Bank of Ireland. **Personal Contract Hire:** Contract Hire is subject to status, age 18 and over. You will not own the vehicle. Contract Hire provided by Suzuki Contract Hire, a trading style of Lex Autolease Limited, Heathside Park, Heathside Park Road, Stockport, SK3 0RB.

WHAT'S MOTABILITY?

The Motability Scheme enables people to get mobile by exchanging their mobility allowance to lease a new car.

Choose from the full Suzuki range[†] and lease it in exchange for your Government-paid mobility allowance. Many of our models start from Nil Advance Payment – which means you'll pay nothing upfront.

[†]Excluding the Suzuki Jimny, Suzuki Swift Sport and Suzuki ACROSS models.

BUILD YOUR FLEET

Get the best driving experience for your business, with Suzuki.

Practical, stylish, safe and efficient. The award-winning Suzuki range meets all your needs.

Plus, with excellent reliability and a dedicated Business Partners team, we're always on your side to help your business deliver more. Visit cars.suzuki.co.uk/business to find out how we can help.

THE SUZUKI SERVICE PROMISE

At Suzuki, we aim to give you the best possible service. Which is why we've created the Suzuki Service Promise.

We promise that every Suzuki customer will experience superior levels of care and leave impressed by the little extras we include as standard:

- Alternative transport options
- Simple and transparent pricing
- Only pre-approved work undertaken
- Suzuki-trained technicians
- Suzuki Genuine Parts
- Progress report during the day
- Wash and vacuum with pre-booked work
- Vehicle health check on every visit
- Accident Aftercare

WARRANTY

Every Suzuki Swace comes with a comprehensive three-year or 60,000-mile warranty (whichever comes first) and a 12-year anti-perforation warranty.

ROADSIDE ASSISTANCE

We're always around if you need roadside assistance. New cars come with Suzuki Assistance cover which includes 24-hour roadside assistance, home start and recovery through Republic of Ireland, UK and Europe. And if the car is older than 12 months, you'll receive a complimentary AA Assistance Lite policy when you bring your car in for a service or MOT to one of our authorised Suzuki dealers.

TREATING YOU RIGHT

We're serious about our cars. And our customers.

With over a century of experience and innovation behind us, we care about keeping the good times and the good cars rolling.

Our philosophy has always been about the joy of driving, so we're dedicated to making cars that offer something for everyone and are, above all, fun to drive. Plus, your Suzuki experience doesn't stop when you buy the car. We'll continue to look after you long after you've driven off the forecourt.

Our Suzuki Service Promise guarantees that every Suzuki customer will receive superior levels of care when their car needs servicing, plus every new Suzuki comes with a 3-year or 60,000 miles warranty, and Free Driveaway Insurance*. Because when you're with us, we want you feeling looked after.

You've made it this far, so we're pretty sure you're itching to test drive one of our Swace models. Good news – it's really easy to set up. Just **find your local Dealer** on our website and book a test drive at your own convenience. But be warned, after five minutes behind the wheel of a Swift, you might not want to give it back.

GET THE BEST, FROM THE BEST

Our dealers are number 1 when it comes to customer service, according to the UKCSI reports for 2019 & 2020. They're always on hand to help you find your perfect Suzuki.
